

World class conference and events facilities In the heart of an award winning city

Bodington Hall

Bodington Hall is ideal for:
Day Meetings
Self-contained Residential Events
Events requiring Exhibition Space
Sporting Events
Dinners and Social Events

Built in the 1960's, Bodington Hall is pleasantly situated in several acres of grassland, only four and a half miles from the city centre. Within easy access of all major transport routes, it is also just six miles from Leeds/Bradford International Airport. The staff have many years' experience of hosting conferences, seminars, dinners and sporting events.

The Main Conference Room can accommodate 280 theatre-style making it the largest capacity facility in the University's portfolio outside of vacation time. There are several smaller rooms with a capacity for 12 to 120 delegates. All rooms are flat-floored with natural daylight and black-out facilities.

During the Summer vacation period, the Hall's accommodation becomes available for residential events. The staff can tailor catering to your requirements; everything from a finger buffet through to a gala dinner. There is also a well-stocked bar which can be used for social events.

The Hall has a full-sized snooker table and two squash courts, as well as several sports pitches which can be booked by prior arrangement. During warmer weather, the flat lawn areas around the Hall can be used for team building exercises.

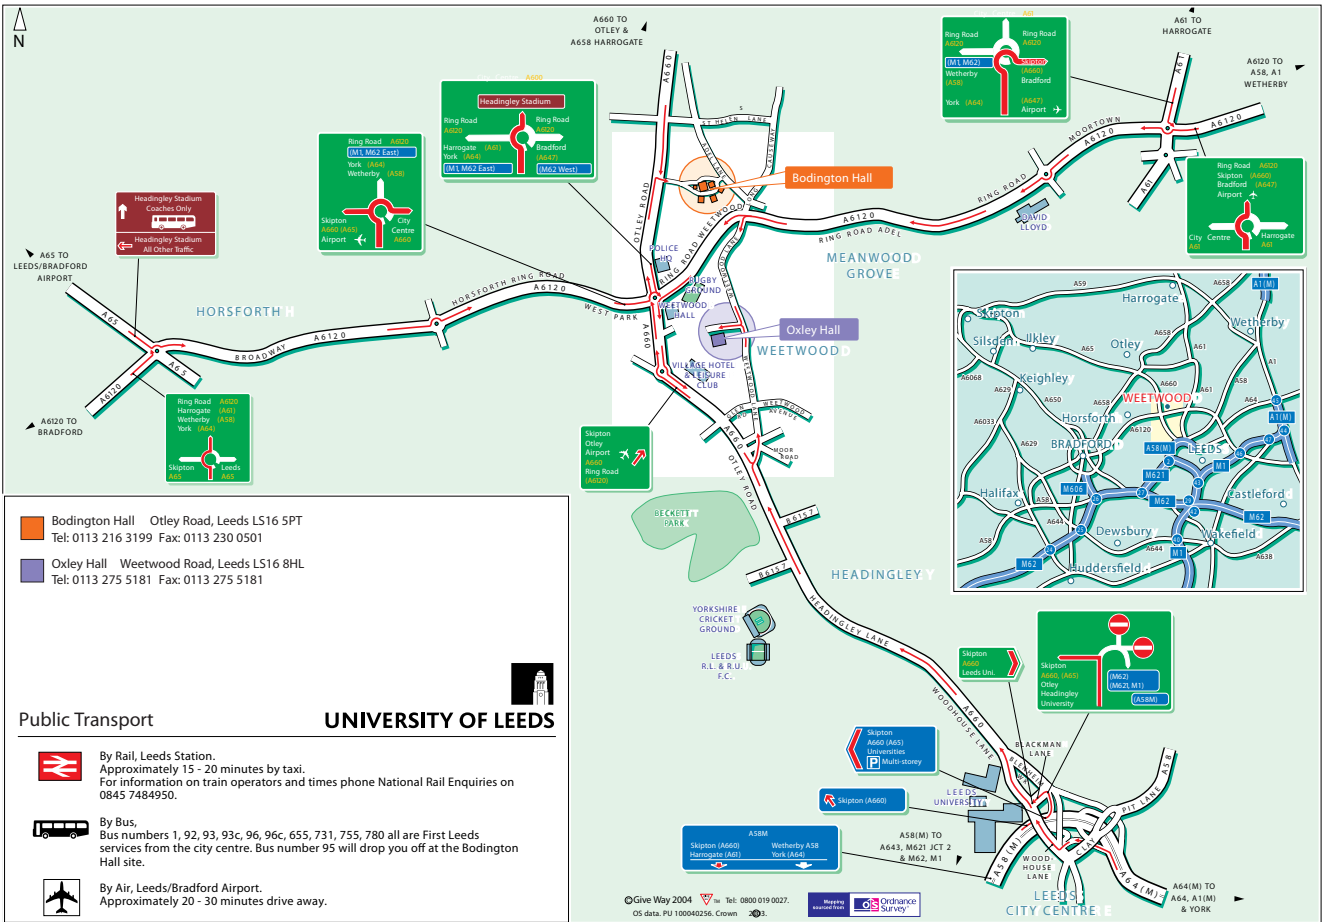

Accommodation

Bodington Hall has 1140 beds arranged in single study bedrooms, where each room has its own wash basin, but toilet and shower facilities are shared. Included in this are a further 500 beds arranged in 5 bedroom flats each with shared facilities.
